

Bulls Academy teams earn GSA Tournament success. (December 2009)

Eight Bulls Soccer teams made the trip to the GSA Academy Cup the first weekend of December with four teams winning division titles.

The tournament schedule was altered due to the threat of wintery weather meaning that each team would be playing only three games over the weekend.

Saturday morning was a grey, overcast beginning to the weekend. The cold 40-degree temperatures stirred up by strong winds welcomed the players to the muddy fields of east Atlanta.

The U10 Boys wasted little time on Saturday wrapping up the U10 2nd division title with shutouts over CESA and Concorde Fire. Sunday's shutout over Forsyth completed the sweep and left the final total of 8 goals for and 0 goals allowed in the three games.

The U11 Boys Red team also posted a 3 and 0 mark on the weekend winning the U11 4th division title with wins over Arsenal, CESA, and East Cobb. The boys scored 8 goals while allowing none over the weekend.

The U12 Boys Black finished 3-0 winning the U12 3rd division. The boys won a dramatic match 2-1 Saturday night over Alabama powerhouse Vestavia Soccer Club in one of the coldest soccer games of the tournament. The 35-degree temperatures were warmed up by the game-winning goal of the tournament off the foot of Deshurn Thompson. As the ball bounced over D's shoulder he quickly turned from 20 yards out and hit a left-foot laser of a half volley back post upper 90.

The U12 girls won the final title of the weekend scoring 10 goals and allowing none on their way to the U12 4th division title. A convincing 6-0 win over the Atlanta Fire in game three left little doubt as to the top team in the division.

Congratulations to all the Bulls teams over the weekend as the eight teams went a combined 14-8-2 in all games played.
