

Subject Line: Charity Soccer Marathon

---

To All Bulls Players , Families & Friends,

On Saturday, April 24, 2010, the American Cancer Society's Aiken County Relay for Life Team of *Carley's Rays of Hope* is hosting a Charity Soccer Marathon at the University of South Carolina Aiken's "Pacer Pit". The GA-SC Bulls, along with the USC Aiken Men's Soccer Team, are proud to be sponsors of this event.

Aiken native Carley McMaster was 11 years old when she lost her battle with brain cancer in 2008. Cancer touches all of our lives and Relay Team Captains Shelley Malinski, Lecia Rikard, Anne Ofoje and Avery Ofoje have gathered family and friends of Carley, as well as all who have had their lives touched by this disease, to raise desperately needed money for cancer research.

Our \*goal\* is to have continuous soccer in play for twelve straight hours – from 7am to 7pm. Teams may register in advance to ensure other teams to play. Individuals may register and be put on a team for the time period desired. There will be a straight donation fee for teams and individuals to participate. Teams and individuals can raise their pledge money however they like.

Concessions will be available throughout the event. Tshirts will be on sale for \$10.

For more information or to register, contact Anne Ofoje at [ofojea@hotmail.com](mailto:ofojea@hotmail.com) /803.641.3147
